MOBILE VETERINARY CLINIC!

We are Super excited to announce that our mobile Veterinary Clinic is here!

Pet Sushi

- 1 Cucumber
- 1 Carrot
- 1/2 Red Capsicum
- 1/2 Yellow Capsicum
- Pet treats for garnish
*optional

Method

- 01** Using a teaspoon, scoop out the flesh from the cucumber until they're hollow.
- 02** Press grated carrot into the centre of the cucumber, using a butter knife to push it inside.
- 03** Slide the sliced red and yellow capsicum in the middle of the carrot filling
- 04** Slice up your little "sushi" roll and garnish with crushed pet treats.

WHAT A FUN TREAT FOR YOUR PETS THIS WINTER!

What does this mean?

Our Veterinary nurse team and Dr Liz will be out and about once a week helping you out at home doing nail trims, vaccinations, consultations, home euths, flea and worming, prescription checks and so much more!

We also have a new mobile eftpos machine to make payment easier for our clients.
